

## **Brief description:**

### **Pueblo Don Thomas on La Gomera - a deep breath full of tranquility**

The Pueblo Don Thomas holiday complex on the island of La Gomera presents itself as the exclusive development of high-quality villas and apartments.

The resort built by the company Fred Olsen S.A. is located four Kilometer from the idyllic fishing harbour of Playa Santiago in the South of the island. Located above the golf course and Hotel Jardin Tecina on an area of 225,000 square meters the exclusive villas and apartments of Pueblo Don Thomas where built in the middle of a spacious green garden.

The buildings are a maximum of 2 floors high and guarantees optimal insertion in nature. Buyers have the option to choose between different high-quality materials and designs in equipping their objects.

Luxury villas are available starting at 680,000 Euros and luxury apartments from 299.000,-.

Owners have the option, just a few minutes away from their home, to play the exceptional 18-hole Tecina golf course.

The nearby village of Playa Santiago offers all necessary infrastructure, a Bank, a post office, a bakery, a pharmacy, a medical center, a flower shop and tourist information. The passenger ferry "Fred Olsen" coming from Tenerife with a stopover in San Sebastian stops three times a day. Bars and restaurants are located on the small harbour.

## **Invest in style:**

Inspired by the tradition of the villages typical for the island, Pueblo Don Thomas exudes the calm and serenity, which reflects the natural quiet pace of life of La Gomera.

Pueblo Don Thomas is a quiet, intimate and safe. Light and space were in focus at the planning of all units to create large and bright spaces.

## **Villas:**

In the Pueblo Don Thomas three types of villas are available, meeting different requirements and demands. A Villa can be constructed on a site between 600 and 1,250 square meters and the living area of the villas is between 190 and 220 square meters. The villas of the type A and B have two floors, as well as bedrooms and bathrooms on both levels.

The design of the Villa of type E, however, is at ground level. All villas are characterized by their generous investment and brightness and are equipped with all amenities, which belong to a luxury real estate - including pool, terrace and garden.

### **Apartments:**

The apartments of Pueblo Don Thomas are divided on two floors, the upper floors have a large terrace, the apartments on the ground floor have access to their private garden.

Apartment type A has an area of 132 square meters and two bedrooms. Apartment type C has three bedrooms with an area of 135 m<sup>2</sup>. All apartments have large bedrooms, living and dining room, kitchen, hall, and two bathrooms. Each apartment also included a parking space in the garage.

### **Club Don Thomas:**

All Owners have the possibility to become Member of the Club of Don Thomas. The clubhouse in a converted mansion dating back to 1930 and is located in the midst of a stunning garden. The Club offers big and small pools, a restaurant, a bar, a fitness center and a putting green.

Close to the County Club House there is free Wi-Fi access. With the membership card, guests also have access to the amenities of the Hotel Jardin Tecina, for example the swimming pools, the squash and tennis courts, table tennis, to the evening entertainment program, the library and three excellent restaurants (with 10% discount). In addition, they receive 20% discount on the fee for Tecina golf.

Pueblo Don Thomas on the island of La Gomera is pure luxury. Inspired by the tradition of the typical local villages Pueblo Don Thomas is reflecting the natural quiet life rhythm of La Gomera.

We would be happy to inform you about currently available villas and apartments.
