Our cooperation partner the Grupo VAPF has extensive experience in the real estate sector in Spain. Since More than 40 years they designed and build villas and apartments in the most beautiful places of the Mediterranean area and specifically in the North of the Costa Blanca.

The proof point is over 8000 apartments, which were built in 11 urbanisations located in such well-known places as Calpe, Benissa, Javea and Benitachell.

In this beautiful area the Grupo Vapf has built the **urbanization Cumbre del Sol**, which has reached a large popularity through its magnificent panoramic views on the sea, as well as on the mountains. It also offers beach and coves and a wide range of services which are available the whole year.

Cumbre del Sol - an extraordinary oasis in the heart of the Costa Blanca, which enjoys a privileged location on the Mediterranean, surrounded everywhere by green, protected areas, such as "El Portet de Moraira" or "El Puig de la Llorença", as well as by the natural park of Javea Granadella.
