## **Brief description:**

### **Three Sisters Mountain Village**

In a breathtaking section of the Bow River Valley, at the entrance of Banff National Park and near the Lake Louise, the three sisters mountain village extends over about 12 square kilometers.

Nowhere else in the Canadian Rockies you can discover such a high life quality. It is certainly one of the last opportunities to buy a property in such a privileged location in the Rocky Mountains.

Three sisters mountain village is your gateway to limitless adventures. It is directly located at the gate to the UNESCO World Heritage, the Banff National Park, which is 12000 square kilometers of unspoiled nature. The historic town of Banff is also only about 15 minutes away.

Three sisters mountain village is located on a large sunny plateau over the authentic town Canmore.

In addition to numerous restaurants, bars and boutiques Canmore is also the Nordic Centre and hosted the Winter Olympics 1988. It is one of Canada's best international centers for cross country skiing. Every year World Cup races are taking place. Six alpine ski resorts are located in the immediate surroundings.

The impulsive City of Calgary is only about 60 minutes away.

The modern international airport is serving several direct flights to Europe and Germany.

In summer you can play the world-class golf on the Stewart Creek Golf course, or the three sisters resort course. You can hike, climb, ride bike or fishing for trout in the Bow River. In winter you can enjoy Alpine skiing, helicopter skiing or cross country skiing.

Three sisters mountain village offers an amazing range of real estate for each taste. Townhouses, Apartments or Villas. All properties have the exclusive privilege in Canada, the breathtaking mountain views and the fresh mountain air.

The houses have been built from a selection of the best craftsmen of the Rocky Mountains.

The price for a nice apartment starts at approximately 250.000,- Euro.

We would be happy to inform you about currently available villas and apartments.
